Honorable Peter Frelinghuysen, Jr.  
House of Representatives  
Washington 25, D. C.

Dear Peter:

It was good to see you at reunions, but I regret that we did not have the opportunity for conversation; however, as you probably discovered, conversations with the racket that was going on Friday evening and which was repeated again on Saturday, were more than a little difficult.

I would like to have you come down for lunch before the current session adjourns and give you a chance to reacquaint yourself with some of the work we are doing. I wonder if Tuesday, the 8th of July, would be a satisfactory day and, if so, would suggest around 1:00 o'clock. I will ask John Warner, our Legislative Counsel, to check with your office and ascertain your desires.

With very best wishes.

Sincerely,

/s/ Lyman B. Kirkpatrick, Jr.
